

Find out about the planets of the solar system and make a fact-file to tell us all about them.

Create a model of the solar system and label it.

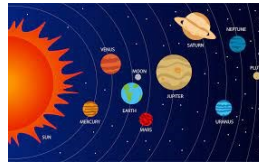

Pretend you are an astronaut. Write a diary entry about travelling through space on your rocket. Did you land on an exciting planet? Where you caught in an asteroid field?

**purple  
mash**

Create a quiz about the planets of the solar system.

**Kahoot!**

## Y5 One Small Step

Watch this video explaining constellations.

<https://www.youtube.com/watch?v=1sZ15SUeS9w>

Can you create your own piece of art with a unique constellation you have created?

Make a presentation all about planets. Focus on the climate and location of each.

**purple  
mash**

Use these ideas to complete homework linked to the space. Try and be as creative as possible.

Homework can be brought back into the classroom after the summer holidays anytime up until the Christmas half term break.

Watch this video of an astronaut reading a story ( If I Were an Astronaut) in space. Can you write your own list of things you would do if you were an astronaut yourself?

<https://www.youtube.com/watch?v=9wV8yw7iV8w>

Listen to the song below.  
<https://www.youtube.com/watch?v=ZHAqT4hXnMw>

Now write your own space themed rap or make up some dance moves for it.
